1 If Elected into the 36th Guam Legislature, would you introduce or support legislation whi Privilege Tax from 5% to 4%?

Answer	
<input checked="" type="checkbox"/>	Yes
<input type="checkbox"/>	No

2 If Elected to the 36th Guam Legislature, what actions would you pursue to Reduce or Rig provide a short paragraph with no more than 4 sentences.

	Streamline basic government services, to right size it with current trends and technology. Office of technol help with improving how we provide government services. Also, consolidating some of the smaller agenci positions.
--	--

3 If Elected to the 36th Guam Legislature, what actions would you pursue to promote great provide a short paragraph with no more than 4 sentences.

	First, I hope to get a republican majority to bring the checks and balances that our island desperately need automating, and digitizing government services; I hope to look at ways to have government agencies prov a website, an app, etc.
--	--

4 Bill 265-35 was introduced earlier in the year and proposes a "Citizen's Legislature" or ba position on a Part Time Legislature? Please provide justification for why your either supp

Answer	
<input checked="" type="checkbox"/>	I support a Part Time Legislature
<input type="checkbox"/>	I do not support a Part Time Legislature

5 Regarding the military buildup, do you support the present data collection process for the military? If not, what process would you support, and would this recommendation create any further delays? Please provide a YES or NO answer, followed by your thoughts with no more than 4 sentences.

Answer	
<input checked="" type="checkbox"/>	Yes
<input type="checkbox"/>	No

Comment: I think right now, the military is doing a better job than we (GovGuam) have ever done. As a former member of the military, I have been a part of different clearing projects, and know personally that the military is very good at preservation and data collection.

6 If Elected to the 36th Guam Legislature, what ideas will you propose to help resurrect our economy? Please provide a short paragraph with no more than 4 sentences.

<input type="text"/>	First, we need to make Guam business friendly. Remove the redtape to encourage big businesses to start a business center, not just on Mon/Wed between 10-12. Again, if we work on improving how we provide government services, etc. I know it can be better.
----------------------	---

7 Regarding "Economic Diversification", what industries do you believe the government of Guam should pursue to help these industries materialize their presence in Guam? Please provide a short paragraph with no more than 4 sentences.

<input type="text"/>	Ecommerce is booming and growing industry and has some potential. I like Jim Moylans proposal on fulltime manufacturing is something I want to look into as well.
----------------------	---

8 Bill 265-35 was introduced earlier in the year and proposes a "Citizen's Legislature" or a Part Time Legislature? Please provide justification for why you either support or oppose it.

<input type="text"/>	I definitely support a part time legislature. The last 6 months is indicative of why a part time legislature can work.
----------------------	--

9 In regards to privatization, if you had to select one agency, instrumentality, or service of the government that should either be privatized or the management be entered into a Public Private Partnership, please provide a short paragraph with no more than 4 sentences, and please include how you would like to see it implemented.

Guam Power Authority, I personally think privatizing it will help bring rates down and all electric companies & Rec (public private partnership). GEDA should go away, when you look at most of the economic studies business at UOG, notGEDA

10 What is your recommendation regarding resurrecting our Tourism Industry, which has be and is presently a victim of this pandemic? Please provide a short paragraph with no mo

Lower the BPT, expedite the creation of the marijuana industry, and clean up tumon of trash, crime, and p
