7 Guam has experienced a serious economic downturn since the pandemic reached our shores in 2019, "stay at home" measures, which have negatively impacted businesses and employees who are unemployed and as businesses continue to close, there are limited opportunities for them. If you propose as a Senator to help improve our economic conditions since the start of this pandemic, what would you propose to help these people if re-elected? Please provide a short paragraph with no more than 4 sentences.

	I voted to expand tax exemptions for businesses along with every other relief package this term. This pandemic is diversifying our economy. Cultivating cottage industry activities, from agriculture to food preparation and retail to help people the income they need.
